

DR. CHARLES FLESH FOOD

APPLIED AS A COLD CREAM
ACTS AS A MEDICINE.

Wherever applied, its healing and nourishment is instantly absorbed. It strengthens and builds up the tissues underlying the pores. Healthy Flesh is the result.

DR. CHARLES FLESH FOOD is no new experiment. It has been used more than fifty years and during that time thousands of women have used it with entire satisfaction.

DR. CHARLES FLESH FOOD should be used by every woman who desires to be attractive. It is the only preparation that will remove wrinkles, thin cheeks or scrawny neck with Firm, Healthy Flesh.

Remove Wrinkles from the face and hands, no matter how deep. DEVELOPING THE IMMATURE BUST or to make the breast large and beautiful nothing can equal it. To prevent the breasts from sagging after weaning baby, mothers should always use DR. CHARLES FLESH FOOD. It will also restore a bosom to its natural contour and through nursing and sickness.

Madame Tully's Parlors Crowded REMOVING WRINKLES AND ALL FACIAL BLEMISHES IN ONE TREATMENT

Massage for the Complexion

Is the latest treatment. Parlors, 55 North State St., at Mrs. John Beck.

The daily use of Madame Tully's Vibrator has established it as the greatest known preserver and restorer of facial color and contour. Beauty of facial contour in women means a perfect curve of the cheek and a delicately rounded chin and jaw. Sharpness or angularity of features are abnormal. Double chin and flabbiness are due solely to the muscles being inactive, thus allowing fatty tissue to accumulate.

Proper facial treatment is as essential to the health of the facial muscles as is proper exercises to the muscles of the body. The Vibrator develops the muscles of the fleshy portion of the face, rounds off angularities, improves the circulation—hence the complexion—removes wrinkles, facial blemishes and blackheads.

Superficial hair removed by the ladies' needles. The latter are all invited to call. Parlors 55 North State St. Opposite the Louise Plats on N. State St. Madame Tully will give a full course of instruction for professional use.
